NA

Courses should be updated regularly

No any remarks

Need smart classroom for this paper to show students live practical in the class for better understanding

Satisfactory

Very Good Course

Good teacher and student relationship in class and college activities

Rural college

Practical of Computer Graphics should be included in curriculum . Compulsory que 13 & 14 are not related to this subject as no practical in curriculum.

Strongly require smart classroom for teaching this kind of subjects. because it waste so much time to draw diagrams in classrooms.

Na

1. Wifi campus is required for E -Content learning
2. Smart class rooms are required for better understanding of syllabus.

Course should be job oriented

Curriculum is satisfactory

It's appropriate

Appropriate content

There is no smart room for subject wise in the college

Very good course

Smart classroom should be developed in order to better understanding of syllabus . Wi fi campus is required for strengthening e content for students.

Smart classroom requirement

Students are required to visit nearby theatre to experience realistic drama

More grammar portion should be included and paper of English compulsory should be included in all six semester instead of first two semester.

Requirement of change in syllabus and grammar portion need to be included .

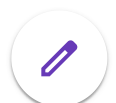

Good teachers and students relationship in class and also in college activities.

Curriculum should be updated with time

Subject has no practical so compulsory que 14 is irrelevant
